WHAT DOES THIS MEAN?

USE CLOUD: If a host school provides a dedicated and password protected internet portal – we can instantly upload all information directly to WINDI-USE CLOUD for you and your staff to access files to download anywhere in the world! Results are published at the conclusion of awards.

AT SHOW: If a host cannot provide dedicated and password protected internet portal – we can only connect you to our LAN router and you will use WINDI-AT SHOW to access files to download in the performance arena. Results are published as soon as internet access is available to the tabulator/tech judge, and always by Monday morning.
